

# ***Please Help Keep Our Carolina Forest Medians Beautiful!***

**If you love our recently planted medians please help us maintain them.**

“The medians look great!” “The plantings are beautiful” “Love seeing the Palm trees, Crepe Myrtles, and other attractive plantings as I enter my community!” “Thank you so much for your work on the medians.” These are just a few of the many positive comments made by residents that reside along Carolina Forest Boulevard.

We hope you agree that they have significantly improved the aesthetics of our community and thereby enhanced the values of our homes.

Now planted, we really need your help so we can pay to mow, trim, fertilize, weed, and mulch on a regular basis. Since POA’s are not permitted to use any part of their budget to support this project, we can only continue our mission if we have public support from the communities along Carolina Forest Boulevard.

**The maintenance of these medians can only be funded through your generosity!**

Since Carolina Forest Middle of the Road is an approved tax-exempt IRC 501(c)3 organization, your donations are tax deductible.
